

Student Financial Terms and Conditions

Every University of Maine System (UMS) student is required to agree to the Student Financial Terms and Conditions as a condition of enrollment. This statement is designed to ensure your awareness and understanding of billing policies and your financial obligations as a UMS student. This step is completed once during a continued active status of enrollment. A break in enrollment of two years or more will require that this step be completed again.

You will receive a message in your Message Center that the Financial Terms and Conditions has been added to your To Do List.
